Car & Truck Headlights. Driving at night can be stressful, but it doesn't have to be with the right headlights. Car headlights serve more than one purpose; they allow you to see after dark, they provide visibility for other drivers on the road with you, and they can also add to the look and style of your vehicle.

Also, remember that some faults will trigger the Check Engine Light (CEL). But, even if you're dealing with an intermittent backfire issue and you haven't seen the CEL coming on, scan your car's computer memory with an OBD-2 scanner (like this Ancel scanner) to get diagnostic trouble codes (DTCs) anyway. The computer may have one or more pending codes that could give you a clue about a ...

A good friend persuaded to venture into non-Toyota parts, to go big from the start - as opposed to redoing everything 3-4 times later down the road, and to seriously consider doing a 3-link suspension instead of leaf springs up front. I am glad I followed his advice. Outside the small Toyota offroad world, parts are more readily available.
