The value of history, then, is that it teaches us what man has done and thus what man is." R. G. Collingwood "History is more or less bunk." Henry Ford "That historians should give their own country a break, I grant you; but not so as to state things contrary to fact.

The History Guide -- What is History?
The study of History has always claimed a place at the center of a liberal arts education, and for good reason. By understanding the experiences of women and men who lived in the near and distant past, students gain a far sharper perspective on their own place in the world.

World History for Us All is a national collaboration of K-12 teachers, collegiate instructors, and educational technology specialists. It is a project of the National Center for History in the Schools, a division of the Public History Initiative, Department of History, UCLA. World History for Us All is a continuing project.

World History for Us All
Racial segregation was still legal in the United States on February 1, 1960, when four African American college students sat down at this Woolworth counter in Greensboro, North Carolina. Politely asking for service at this “whites only” counter, their request was refused. When asked to leave, they remained in their seats. Their sit-in drew national attention and helped ignite a youth-led ...
