Pontoon boats for sale by owner - Boat Trader

A speed boat has many expenses associated with it. The boat itself is expensive, the engines used to power the boat is expensive, and the cost of insurance on a speed boat is expensive. Also, these boats can't just be used anywhere. You'll need to find a place without no-wake zones and a lot of open water to operate a speed boat safely.

Average Boat Prices: 15 Helpful Examples (With Pictures)

Response Boat - Medium: The Coast Guard has signed a multi-year contract for 180 Response Boat - Medium (RB-M) boats that were delivered starting in 2008 to replace the 41' UTB boats. These aluminum boats are 45 feet (13.7 m) in length, with twin diesel engines (total 1650 hp), are self-righting, have a four crew, six passenger capacity, are equippable with two .50 caliber machine guns ...
