This can lead to a much more wide-ranging and less predictable floor debate than typically occurs in the House. Senate Rule XXII, often called the cloture rule, does allow a supermajority to limit debate on a bill, amendment, or motion; in addition, in the case of a bill, cloture limits the amendments that can be offered. Supporters of, for ...

1. Leibniz and Wolff: Perfection and Truth. The traditional idea that art is a special vehicle for the expression of important truths is the basis for the work of the philosopher who established the framework for German thought for much of the 18 th century, namely, Christian Wolff (1679-1754). Wolff never devoted a whole work to aesthetics, but many of the ideas that would influence ...
