Read Print is an online library where you can find thousands of free books to read. The books are classics or Creative Commons licensed and include everything from nonfiction and essays to fiction, plays, and poetry. Free registration at Read Print gives you the ability to track what you've read and what you would like to read, write reviews of books you have read, add books to your favorites, and to join online book clubs or discussion lists to discuss great works of literature.

### All You Really Need To

After the fifth user, you are wasting your time by observing the same findings repeatedly but not learning much new. Iterative Design. The curve clearly shows that you need to test with at least 15 users to discover all the usability problems in the design. So why do I recommend testing with a much smaller number of users?

### Why You Only Need to Test with 5 Users

If you need some answers to questions, but they don't require a two-way conversation, e-mail can be an excellent option in lieu of a meeting. This is particularly true when you're looking for ...

### Do You Really Need to Hold That Meeting?

Do you really need a third option? I don't think it's right," Kapil said on the 'Wah Cricket' show on ABP News. "I'm not convinced with this theory. The team that they've picked already has openers so I think they should be the ones to play. Otherwise, it's insulting for the players who are already in the team."
