About

Irregular warfare (IW) is defined in United States joint doctrine as "a violent struggle among state and non-state actors for legitimacy and influence over the relevant populations." Concepts associated with irregular warfare are older than the term itself. One of the earliest known uses of the term irregular warfare is in the 1986 English edition of "Modern Irregular Warfare in Defense Policy ...

Unconventional Marathons to Put on Your Bucket List

Natural gas was unknown in Europe until its discovery in England in 1659, and even then it did not come into wide use. Instead, gas obtained from carbonized coal (known as town gas) became the primary fuel for illuminating streets and houses throughout much of Europe from 1790 on.. In North America the first commercial application of a petroleum product was the utilization of natural gas from ...

Unfortunately, the history of medicine is often assumed to be equivalent to the history of medicine in Europe, and we may unconsciously make this mistake in framing herbalism, as well. But just as what we often call Western medicine truly has some very deep roots in traditional healing systems of Asia and Africa, so too does Western herbalism.

HERBAL HISTORY: ROOTS OF WESTERN HERBALISM

Andy Warhol had many talents, and throughout his career he was an accomplished painter, an unconventional filmmaker, a commercial illustrator, and a record producer. In addition to painting pictures of Campbell's soup cans or Coca-Cola bottles, Warhol also did much printing.
