So buckle up! Note: LDA does not care the order of the words in the document. Usually, LDA use the bag-of-words feature representation to represent a document. It makes sense, because, if I take a document, jumble the words and give it to you, you still can guess what sort of topics are discussed in the document. Getting a bit mathematical ...

(Bloomberg) -- The last time Americans were this turned off by the U.S. housing market, borrowing costs were over five times the current rate. The share of people who think now is a good time to buy a home fell in September to 29%, extending the plunge from March when the proportion was more than twice as high, data from the University of Michigan consumer sentiment survey showed Friday. It ...
