The purpose of the lab was to test out osmosis. No, my results did not exactly support my hypothesis because the bag with 0.0 M of sucrose should have a change of mass of 0, but instead, there was still a change in mass (4.9%). What can be concluded from this lab though, is water does follow higher concentration of "salts" for balance purposes.

Classification And Evolution Lab Answers

The AP college board lists 13 labs for its recommended curriculum, however, teachers are not limited to only using their versions of the lab. AP biology teachers submit a curriculum for review and approval and must include laboratory exercises that align with their core ideas. Some of the recommended labs may be too expensive or too time consuming for your class.
