In debt capital markets, our survey insights revealed expectations of a bumper year for Asia, with an average predicted growth rate for 2020 of 8.3 percent. While this may well prove optimistic, Q1 revealed the strongest three-month period for global debt capital markets activity since records began in 1980.

The number and target capital are on par with one year ago, but aggregate capital targeted is down 69% from the high of \$4.2bn in October 2018. The largest of the three Asia-focused distressed debt funds currently in the market, India Resurgence Fund, was launched in 2016 by Piramal Capital and Bain Capital Credit with a \$1bn target.
