Recruitment and selection of new team members need to be undertaken with the primary aim that "the required numbers of employees with required talent are available when needed" (Bratton and Gold, 2001, p.13), in our case the required number of employees are seven team members with special characteristics and talents specified as above.

Recruitment and Selection Plan: an example - Research ...

Legal framework Non-resident Indian (NRI) Strictly asserting, the term says non-resident refers only to the tax status of a citizen who, as per section 6 of the Income-tax Act of 1961, has not resided in India for a specified period for the purposes of the Income Tax Act. The rates of income tax are different for persons who are "resident in India" and for NRIs.

Non-resident Indian and person of Indian origin - Wikipedia

Central Asia. Narimsimhan et al. (2018) have found that there was an "Indus periphery" population living in Central Asia during the Bronze Age.They had migrated from the Indus Valley Civilisation and had settled down in BMAC settlements to trade, this is corroborated by the discovery of Indus Valley seals in Central Asia.. The modern Indian merchant diaspora in Central Asia and Arabia emerged in ...
