A Beginners Guide to Ludwig Van Beethoven

Hi Dhananjay. Thank you for taking the time to comment. I am glad you like the article. In response to your concern about the word Asian in the context of the heart chakra and "The Asians say that this is the house of the soul." I totally agree that Yoga originated in India, and at the beginning of the article it clearly stated that "The word 'chakra' is derived from the sanskrit ...

This was just a brief guide to what time signatures mean and their notation in written music. In later lessons I will explain meter and time signatures in much more detail. The main thing to remember is a time signature tells you: How many of what kind. That's it. A time signature is the number of beats and the type of note the beat is.
