material.

Beginning SQL Server 2005 Programming: Vieira, Robert ...

For the first time, SQL Server 2005 provides features that can support large-scale enterprise databases. With this powerful new release, you may find yourself being called upon to perform duties that are no longer strictly "administrative," duties that have become much more complicated and difficult.

Beginning SQL Server 2005 Administration: Wood, Dan ...

Beginning SQL Server 2005 Express Server Express: Database Applications with Visual Basic Express and Visual Web Developer Express.... etc takes you from the installation of the product from scratch - not sure how useful this particular bit was as most people will find they install SQLSE as part of a Visual Basic Express installation, but Mr Dobson is being very thorough and
