Black Cats and Evil Eyes by Chloe Rhodes - Books-A-Million

While in many cultures, a black cat is considered unlucky, British and Irish sailors considered adopting a black "ship's cat" because it would bring good luck. There is some logic to this belief: cats eat (or at least kill) rodents, which can damage ropes and stores of grain on board, and they are intelligent animals, a high level of care was directed toward them to keep them happy, and ...
