### Constitutional Administrative Law Google Books

The Law of the Constitution has been the main doctrinal influence upon English constitutional thought since the late-nineteenth century. It acquired and long retained extraordinary legal authority, despite fierce criticism and many changes in law and government. By many, it was treated as a canonical text embodying axiomatic principles, or it was simply understood as indeed the law of the ...

Aristotle (c. 350 BC) was the first to make a formal distinction between ordinary law and constitutional law, establishing ideas of constitution and constitutionalism, and attempting to classify different forms of constitutional government. The most basic definition he used to describe a constitution in general terms was "the arrangement of the offices in a state".
