Wiley Online Library | Scientific research articles ...

Forming an activity-on-branch network for this set of activities might begin by drawing activities A, B and C as shown in Figure 10-2(a). At this point, we note that two activities (A and B) lie between the same two event nodes; for clarity, we insert a dummy activity X and continue to place other activities as in Figure 10-2(b).

acquainted with the duties and legal responsibilities of enforcing the building code. It is also designed to serve as a refresher for those

Legal Aspects of Code Administration, 2017 Edition

The authors contend that it is possible to point out the underlying theoretical foundation of project management as espoused in the PMBOK® Guide and mostly applied in practice, and to show, by comparing competing theories and by analyzing anomalies observed in project management practice, that this foundation must be substituted by a wider and more powerful theoretical foundation.
