Cradles of Eminence. There is no geographical center for giftedness, no racial or national or cultural monopoly. To find these families, we must seek out the farms, villages, and small towns where most of them live. They come from the North, South, Midwest, East, and West in the U.S.A. ...indeed, from every continent on the globe.

Cradles of Eminence by Victor Goertzel

In 1962, Victor and Mildred Goertzel published a revealing study of 413 "famous and exceptionally gifted people" called Cradles of Eminence. They spent years attempting to understand what produced such greatness, what common thread might run through all of these outstanding people's lives. Surprisingly, the most outstanding fact was that virtually all of them, 392, had to overcome very difficult obstacles in order to become who they were.
