Infinite Possibilities -Creating Your Personal Reality

The real key to consciously creating lies in acknowledging what is (whatever is presenting in our lives), accepting responsibility for our role in creating it and bringing it into our lives (even if we don't know how/why we did it), learning whatever lessons we can find from the experience, and working to identify what deep beliefs are being reflected back at us, so we can work to change them.

Creating Your Own Reality - How's that Working for You? : In5D

You can create your own reality. You can create the type of world you want to live in. You have profound influence on the world around you. Every singular personal reality is valid. It does not need to be based in physical reality or shared reality, though, for your own sanity, much of your personal reality should partially cross over into these realms.

Charles Koh writes a book that is a blueprint for those hoping to go beyond the basics of the Law of Attraction. In the first half of his book, Mr Koh writes in lucid detail how consciousness creates reality. He illustrates with personal experience how he himself has used his internal mind to be the causation of his lived external life.
