When we published the original iteration of this list back in 2006, dance music had been pushed unceremoniously underground, relegated to discotheques and niche radio stations that were increasingly incorporating hip-hop into their playlists. Of course, hip-hop can be traced directly back to '70s funk and disco, and the origins of dance are firmly rooted in black music—a circle that's ...

"Dance to the Music" is a 1967 hit single by soul/funk/rock band Sly and the Family Stone for the Epic/CBS Records label. It was the first single by the band to reach the Billboard Pop Singles Top 10, peaking at #8 and the first to popularize the band's sound, which would be emulated throughout the black music industry and dubbed "psychedelic soul". [citation needed] It was later ranked #223 ...
