I personally would be quite happy if people said "Columbus discovered central America". To qualify this statement properly, one should really say "Christopher Columbus and his crew were the first people of the Old World during the historical to make a discovery of the Americas that had macro-historical importance." Well, you get the assumptions.

### Why is Christopher Columbus credited for "discovering ...

Japanese folktales are an important cultural aspect of Japan. In commonplace usage, they signify a certain set of well-known classic tales, with a vague distinction of whether they fit the rigorous definition of "folktale" or not among various types of folklore. The admixed impostors are literate written pieces, dating back to the Muromachi period (14th-16th centuries) or even earlier times in ...
