What are the major issues and challenges film archives, cin\u00E9math\u00E8ques and film museums are bound to face in the Digital Age and at a time when there is an expectation of Access on Demand? Film Curatorship neither offers a scholarly analysis, nor attempts to provide definitive answers to a complex situation involving aesthetic as well as technological, economic and political issues.

### Film curatorship : archives, museums, and the digital ...

Rather than being disinterested “keepers of the frame”, the authors advocate active curatorship and decision-making about the objects being collected, preserved, and exhibited. In fact, cinémathèques, film museums, and even film archives have long curated film programs and exhibitions. But the issue seems to be selection.

A curator (from Latin: cura, meaning "to take care") is a manager or overseer. Traditionally, a curator or keeper of a cultural heritage institution (e.g., gallery, museum, library or archive) is a content specialist charged with an institution's collections and involved with the interpretation of heritage material including historical artifacts.
