inspired European revolutionary movements from the 1700s to the 1900s. Synopsis

Fire in the Minds of Men - Wikipedia

Fire in the Minds of Men: Origins of the Revolutionary Faith. This book traces the origins of a faith--perhaps the faith of the century. Modern revolutionaries are believers, no less committed and intense than were Christians or Muslims of an earlier era.

Fire in the Minds of Men: Origins of the Revolutionary ...

In his book "Fire in the Mind" George Johnson explores the frontiers between religion and science, between chaos and order, and between complexity and simplicity. This exploration forces the reader to rethink what "reality" is. In the process we realize that we "know" very little about reality.

In Dostoevsky's novel, that fire in the minds of men is not a yearning for liberty, but a nihilistic will to power that can only end in destruction. Put in George W. Bush's mouth, those words are not a paean to freedom, but a manifesto of pure destructionism.

W and Dostoevsky - Antiwar.com Original

Fire in Mind is an incredible book written by Arjay Lewis! This book drew me in from the very first page and I admit I had a very difficult time putting it down. The plot was very well developed and had a very nice twists hidden within that the author unraveled throughout the story. The pace of the book was just plain perfect.
