Gender-related legal reform and access to economic resources in Eastern Africa (English) Abstract. Given that previous efforts to ensure greater equity in personal laws have not been fully successful in eastern African countries, any new legal initiatives must not repeat the mistakes of the past where law merely remains on the books as a legitimizing...

Gender-related legal reform and access to economic ...

Law must not again remain merely on the books as a legitimizing tool that reinforces or supports gender discrimination, but must actively protect and guard the interests of both men and women. This paper attempts to draw out some possible lessons from past experience to inform new efforts at legal reform in these countries.
