Ask for players' emails to identify them. By enabling player identifier, you'll know the real person behind the nickname in your game. We'll track players' scores to their emails, names or another identifier of your choice.

Kahoot!

The first quarter I had of Honors Chemistry I was easy in the start, but grew harder over time. I was very lucky to have still kept my straight A streak when I managed to ace my Chemistry midterm. Now my final quarter grade is at a low B. At this rate, now I may not be able to attain valedictorian status.
