All OpenStax textbooks undergo a rigorous review process.

However, like any professional-grade

Access Free Grade 11 Biology Textbook Online

textbook, errors sometimes occur. The good part is, since our books are web-based, we can make updates periodically. If you have a correction to suggest, submit it here. We review your suggestion and make necessary changes.

We've taken the rigorous CK-12 biology textbook and edited it (thanks to a Creative Commons license) to fit a Christian creationist perspective. Edits are as follows: References to evolution were taken out. New videos were added. Students can watch them right from the online text! Christian material was added.
