Now she tries to go abroad at least once every year! Studying abroad was a life changing experience and she loves that she found a profession that makes a tangible impact on people's lives every day. In addition to helping students on their study abroad journey, she hopes to merge her passion

for study abroad and mental health awareness.

Environment and Global Health - Studies Abroad

Healing Journeys was founded as a result of a personal cancer experience. In 1989 Jan Adrian became one of the 1.8 million women in this country diagnosed with breast cancer. Treatments recommended to Jan focused on the physical body, leaving psychological, social, and spiritual needs unmet.

About Us | Healing Journeys

Vision In InterVarsity, we believe that God gets involved in the study abroad experience and who you are becoming as you go to the ends of the earth. This kind of experience involves putting Jesus at the center, and if you do so, it can have a lifelong effect on who you become. Jesus provides you a way to experience meaning and transformation in travel and in life like nothing else can.
