Immigration And Nationality Law Handbook

United States nationality law details the conditions in which a person holds United States nationality. In the United States, nationality is typically obtained through provisions in the U.S. Constitution, various laws, and international agreements. Citizenship is a right, not a privilege. While the domestic documents often use citizenship and nationality interchangeably, nationality refers to ...

United States nationality law - Wikipedia

If an IJ or the BIA determines that the applicant filed a frivolous application, and that the applicant has received the required notice of the penalties for filing a frivolous application, "the alien shall be permanently ineligible for any benefits under the [Immigration and Nationality] Act." 101 However, a finding of a frivolous asylum ...

Immigration is the international movement of people to a destination country of which they are not natives or where they do not possess citizenship in order to settle as permanent residents or naturalized citizens. Commuters, tourists, and other short-term stays in a destination country do not fall under the definition of immigration or migration; seasonal labour immigration is sometimes ...

Immigration - Wikipedia

U.S. immigration law does not specifically list types of persecution, except in one section of the refugee definition saying that it includes people who have undergone or fear a "coercive population control program" (such as forced abortion or sterilization—this was directed primarily at mainland China, and added in 1996).

Who Is Eligible for Asylum or Refugee Protection in The U ...

Additionally, applicants are not required to establish that their fear of torture is on account of race, religion, nationality, political opinion, or membership in a particular social group. Immigration regulations create two separate types of protection under CAT. 3 The first type of protection is another form of withholding of removal under ...
