Play is a range of intrinsically motivated activities done for recreational pleasure and enjoyment. Play is commonly associated with children and juvenile-level activities, but play occurs at any life stage, and among other higher-functioning animals as well, most notably mammals and birds.. Many prominent researchers in the field of psychology, including Melanie Klein, Jean Piaget, William ...

Play (activity) - Wikipedia

The Brown Dog affair was a political controversy about vivisection that raged in Britain from 1903 until 1910. It involved the infiltration by Swedish feminists of University of London medical lectures; pitched battles between medical students and the police; police protection for the statue of a dog; a libel trial at the Royal Courts of Justice; and the establishment of a Royal Commission to ...

Notes [i] All individual and place names are pseudonyms. [ii] Recently (particularly in late 2019 and early 2020) a heated debate erupted on Vietnamese media and social media platforms around whether macrobiotics is a “miraculous” remedy for different kinds of illness. These social debates have highlighted potentially severe risks of the diet, particularly among people who lived with a ...

Years ago, two Canadian readers—one a friend, one a blog reader—convinced me to give Louise Penny a try. I was hooked from the start. (Although I will say to new Penny readers: book 1 is leisurely paced. In books 2 and 3 the murders are kind of weird—not graphic, but weird. I think Penny hits her stride with book 4.)

6 series to read next after you've run out of Louise Penny ...

Gothic literature has influenced and inspired several subgenres of literature, including the supernatural tale, the ghost story, horror fiction, and vampire literature. Many critics have analyzed the connections between these subgenres and the Gothic tradition, as well as some of the most widely ...

An installment in any long running series that is widely held to be of notably poorer quality than the other installments. Often tied to the dislike of a specific arc, but can also befall episodic shows. In some cases, a new director takes over and pulls the series in a different direction; this can give the impression of Seasonal Rot to those who liked the old way, but may also bring in new ...
