Introduction to Sport Law With Case Studies in Sport Law ...

International law, also known as public international law and law of nations, is the set of rules, norms, and standards generally recognized as binding between nations. It establishes normative guidelines and a common conceptual framework for states across a broad range of domains, including war, diplomacy, trade, and human rights.

International law - Wikipedia

The term case law refers to law that comes from decisions made by judges in previous cases. Case law, also known as "common law," and "case precedent," provides a common contextual background for certain legal concepts, and how they are applied in certain types of case. How much sway case law holds may vary by jurisdiction, and by the exact circumstances of the current case.

Consent can be either expressed or implied. For example, participation in a contact sport usually implies consent to a degree of contact with other participants, implicitly agreed and often defined by the rules of the sport. Another specific example is where a boxer cannot complain of being punched on the nose by an opponent; implied consent will be valid where the violence is ordinarily and ...
