When using manual mode, the CNC operator must manually select files to send and/or receive from the Manualtab in DNC DNC-Max Client. Using manual mode, it is not necessary for the program name to be part of the file name. The advantages of using manual mode is, that there is no restrictions on the name and location of the program files.

Mazak Lathe Programming
I have an EIA manual in pdf. If you give me an e-mail address I'll send it to you. It's for 640T but I was given it about 10 years ago when I asked for an EIA manual for T32. Codes must be the same. I use only EIA on my 2 mazaks which have T32 controls. With the canned cycles everything is quick enough.
