If the employee will not sign it, write that up, too. Allow for response. Let the employee respond in writing for their own file. Firing an employee. Firing an employee isn’t a light matter. Except in a few situations (zero-tolerance policies as outlined in your employee handbook), it is a last step in the discipline process.

The First Time Managers Handbook | When I Work

Mindshift is a great workplace to gain experience on Exchange servers and to build a strong back bone with customer service. Not a very good place to progress in the business and the team work environment is lacking. You do get a lot of work for little pay. I feel is more like an intern job then anything.
