chest, the only of its kind, and also suggests high probability of male. His body is facing head west but the males all face head south. Instead of a coffin he is in a cage, again, the only of its kind, and very odd in comparison to the camp.

Mystery Cemetery Presentation - MYSTERY CEMETERY ...

These are two areas of the cemetery, a main area and a walled off area to the north... Can you describe each kind of burial (it's okay if not)? Why is it that the walled-off area is unusual and does not fit the rules or logic of the main area? Any other ideas or observations? I'm solving a mystery cemetery for archeology class... your help will be greatly appreciated... thanks!!! [http ...](http://...)

Mystery cemetery assignment, any ideas? We are working on a project in my online anthropology class, its supposed to be really simple, but for some reason I am totally stumped! We are given a map and pictures of a cemetery/burials, and are supposed to figure out the age (youth, adolescent, adult), social status, and sex of each burial.
