You will also need games of course. It isn't that hard to make a backup copy of a real PS3 game disc, but it's a bit more complicated than copy-and-paste. The detailed instructions can be found in the quick start guide. First, need to create an ISO file from the PS3 game disc using an application like Alcohol 120%.

Visual Boy Advance must be placed in a common folder on your computer. I recommend Documents, Downloads, or create a folder on your desktop. If you place Visual Boy Advance somewhere else on your main C drive, then you may be restricting it to read-only access. Doing so prevents Visual Boy Advance from saving anything.
