### Physician Assistant Exam Review By

I started looking for PA review resources, and I couldn't find anything. No podcasts, no good websites, nothing. Well, not nothing exactly, but nothing I wanted to use. So, in March 2011, I started posting my notes. I posted what I was covering to review for my exam.

### Home - Physician Assistant Exam Review

A physician assistant (PA) is a type of mid-level health care provider. PAs may diagnose illnesses, develop and manage treatment plans, prescribe medications, and may serve as a principal healthcare provider. PAs are required in nearly all states to have a direct agreement with a physician for supervision and collaboration.. In the United States and Canada, PAs are certified by their respective ...
