Race And The Modernist Imagination

Race and the Modernist Imagination is a vital and necessary contribution to literary and visual studies of British modernism. Its readings of a wide swath of canonical and noncanonical literature are, on the whole, incisive, remedying the fatal blind spot of race in the making of British modernism."

Race and the Modernist Imagination | Quest Research Magazine

To navigate modernist fiction's racial constructions is to understand how race anatomizes the ascendant value of newness in the twentieth century. In the primary texts of this dissertation, manifold visions of race, racism, and racial difference express the abundant meanings that accrued around conceptions of "the modern."
