Social identity theory of leadership. Bridging follower-centric and relational views, social identity theory of leadership views leader effectiveness as dependent on followers' motivation to cooperate with the leader as well as the leader's ability to influence followers (Chemers, 2001, Hogg, 2001, Van Knippenberg and Hogg, 2003, Yukl, 2001).

Followership theory: A review and research agenda ...

To address these various issues, and thereby, enhance the utility of the social identity approach to leadership, in the present paper we seek to develop and validate a new instrument — the Identity Leadership Inventory (the ILI) — with the aim of providing a more comprehensive and firmer basis for future investigations of the various dimensions of leadership as a social identity process.
