79 Quilt Borders ideas | quilt border, quilt patterns ...

A quilt is a multi-layered textile, traditionally composed of two or more layers of fabric or fiber. Commonly three layers are used. These layers traditionally include a woven cloth top, a layer of batting or wadding, and a woven back combined using the techniques of quilting. This is the process of sewing or combining the three layers together to reinforce the material.

Quilt Inspiration: Free Pattern Day! Asian Inspired Quilts

Quilting is the term given to the process of joining a minimum of three layers of fabric together either through stitching manually by hand using a needle and thread, or mechanically with a sewing machine or specialised longarm quilting system. An array of stitches is passed through all layers of the fabric to create a three dimensional padded surface. The three layers are typically referred ...
