### Structural Anthropology Claude Levi Strauss

In 1959, when Claude-Lévi-Strauss published his STRUCTURAL ANTHROPOLOGY, his academic colleagues were not yet conversant with the general theory of Structuralism, which was then just emerging. To them, all societies in all eras could be accounted for in terms of their purpose/function or their historical genesis.

### Structural Anthropology: Levi-strauss, Claude ...

Structural anthropology is a school of anthropology based on Claude Lévi-Strauss' idea that immutable deep structures exist in all cultures, and consequently, that all cultural practices have homologous counterparts in other cultures, essentially that all cultures are equitable. Lévi-Strauss' approach arose in large part from dialectics expounded on by Marx and Hegel, though dialectics dates back to Ancient Greek philosophy. Hegel explains that every situation presents two opposing things ...

### Structural anthropology - Wikipedia

Claude Lévi-Strauss was a French anthropologist, well-known for his development of structural anthropology. He was born in Belgium to French parents who were living in Brussels at the time, but he grew up in Paris. His father was an artist, and a member of an intellectual French Jewish family. Lévi-Strauss studied at the University of Paris.
