Introduction.

Accessible technology  
can serve an important  
role in inclusion of  
students with

disabilities. Not all  
technology is  
accessible, however.

First, we will define  
accessible technology,  
and give examples of  
both accessible  
technology and  
inaccessible  
technology. Then we'll  
have a two part section  
on how it maximizes

Inclusion in the  
Classroom. Studies  
suggest inclusion is the  
most effective solution  
to create well-rounded  
individuals and
