The Bad Mother is Marguerite Anderson's honest and unflinching account of her life as a mother. She begins and ends her story in the present at 89 years of age, acknowledging that she was a bad mother and apologizing to her children. I found the beginning particularly touching as her children try to convince her that she wasn't in fact a bad mother at all.

As someone begins vocalizing mean things, the individuals who hear these comments don't always know what to make of what they are listening to. Children, in particular, are easily affected by what their parents say, and when kids have to deal with one parent badmouthing the other, they usually won't be entirely sure how to handle it right away.
