The Condominium Concept A Practical

Condominium is an invented Latin word formed by adding the prefix con-‘together’ to the word dominium ‘dominion, ownership’. Its meaning is therefore ‘joint dominion’ or ‘co-ownership’. Condominia (the Latin plural of condominium) originally referred to territories over which two or more sovereign powers shared joint sovereignty. This technique was frequently used to settle ...

Virginia Condominium Act § 55.1-1900. Definitions. As used in this chapter, unless the context requires a different meaning: "Capital components" means those items, whether or not a part of the common elements, for which the unit owners' association has the obligation for repair, replacement, or restoration and for which the executive board determines funding is necessary.

Virginia Condominium Act

Preselling Condominiums in Cebu are less expensive than houses. They also offer a lot of benefits. Since they are closer to the city, living in condos enables the working class to save up on time and cost of transportation. It is much better to invest in a condo if you're going to use it and enjoy some of its benefits for quite some time before selling it.

Cohousing is an intentional community of private homes clustered around shared space. The term originated in Denmark in late 1960s. Each attached or single family home has traditional amenities, including a private kitchen. Shared spaces typically feature a common house, which may include a large kitchen and dining area, laundry, and recreational spaces.
