If political nationalism is focused on the achievement of political autonomy, cultural nationalism is focused on the cultivation of a nation. Here the vision of the nation is not a political organisation, but a moral community. As such, cultural nationalism sets out to provide a vision of the nation's identity, history and destiny.

Nationalism is a term used to describe a fervent emotional identification with one's country and its people, customs, and values. In politics and public policy, nationalism is a doctrine whose mission is to protect a nation's right to self-govern and shield fellow residents of a state from global economic and social pressures.

Michael J Boyle. Updated August 31, 2020. Nationalism is a system created by people who believe their nation is superior to all others. Most often, this sense of superiority has its roots in a shared ethnicity. Other countries build nationalism around a shared language, religion, culture, or set of social values.
