The Machiavelli Covenant Allan Folsom

For five hundred years a despotic order of the supremely rich and powerful has kept a little known manuscript by the political thinker Niccolo Machiavelli hidden away under heavy guard: THE COVENANT, a terrifying blueprint for the gaining and keeping of true political power. Bonded by complicity in ritual murder and dedicated to a singular vision of global domination, the group, guided by Machiavelli's document, has prospered far beyond any dreams of power and avarice.
