As the name suggests, Open Library features a library with books from the Internet Archive and lists them in the open library. Being an open source project the library catalog is editable helping to create a web page for any book published till date. From here you can download books for free and even contribute or correct. The website gives you access to over 1 million free e-Books and the ability to search using subject, title and author.

**Third Grade Pacing Guide**  
Some states have very different standards and some schools don't organize their year into quarters. Many of you don't teach third grade. The freebie is not editable. However, you are welcome to use my ideas to create a pacing guide that works best for you. You can create it using an excel spreadsheet or by inserting a table into Word or PowerPoint.
