Most ebook files open on your computer using a program you already have installed, but with your smartphone, you have to have a specific e-reader app installed, which your phone probably doesn't come with by default. You can use an e-reader app on your computer, too, to make reading and organizing your ebooks easy.

charger for \$399 so i

sold the SR4. Toro cuts
much better then Ego
does. But vertical
storage and no gas and
all the work associated
with gas are a big plus.
If they can make a
smartstow version of
super recycler that
would be awesome.
