Re.Cri.Re - Between the Representation of the Crisis and the Crisis of the Representation is an European project (Horizon 2020) aims to understand what kind of social identity change is going on within European societies; to verify whether the symbolic universes grounding in social identities has undergone a major change within European societies as a consequence of economic crisis; to draw strategic and methodological implications for policy-making from previous stage analysis.

eEAV - E-engagement against violence is an European project on populist organizations and the role of the new media in the construction of hate speech towards the 'other', raising awareness about this through media literacy education and e-engagement against violence.

01/10/2013–Present

Researcher

CAS - Centre for advanced study Sofia, Sofia (Bulgaria)

EUBORDERSCAPES (Bordering, Political Landscapes and Social Arenas: Potentials and Challenges of Evolving Border Concepts in a post-Cold War World) is a large-scale FP 7 international research project that investigates and interprets conceptual change in the study of borders, in relation to the fundamental social, economic, cultural and geopolitical transformations that have taken place in the past decades.

RAGE (Hate Speech and Populist Othering in Europe: through the Racism, Age, Gender Looking Glass) is a comparative research project funded by the European Commission's Directorate General Justice, under the Scientific Programme "Fundamental Rights and Citizenship". The project examines populist political discourse and its effect on those "othered" by such discourse, particularly in the context of economic austerity and dwindling opportunities for young people.
