Upside Down is a brilliant map of our human journey with all the landmarks of joy, pain, and lunacy that define it. No one writes more directly to the human condition, and no one better evokes the tragedy-comedy that plays upon our fragile planet. Eduardo Galeano exceeds himself time and again--he is a force of nature, grand, dangerous, and ...

Eduardo Galeano, author of the Memory of Fire trilogy, is one of Latin America's most distinguished writers. Donning the mantle of a prophet for our time of ethical disarray and massive inequality, he puts a metaphor at the heart of this compelling work: "The upside-down world rewards in reverse: it scorns honesty, punishes work, prizes lack of scruples, and feeds cannibalism.

Galeano (The Memory of Fire Trilogy, etc.) has set to paper an astonishingly straight-faced indictment of yanqui capitalism that—for all its freshness and wit—could well have been freeze-dried at about the time of Che Guevara's assassination. The author views the world as essentially a matter of conflict between North and South, rich and poor, First World and Third World, big business and ...
