You can't have your cake and eat it (too) is a popular English idiomatic proverb or figure of speech. The proverb literally means "you cannot simultaneously retain your cake and eat it". Once the cake is eaten, it is gone. It can be used to say that one cannot have two incompatible things, or that one should not try to have more than is reasonable.

You can't have your cake and eat it - Wikipedia

To eat something that you don't like, plug your nose while you eat it so you can't taste it. You can also try taking a sip of a drink before and after you take a bite to help mask the flavor. Try to cut the food up into the smallest pieces possible so you don't have to chew it a lot when you eat it.
