Synopsis. Anthropologist and social critic Ghassan Hage explores one of the most complex and troubling of modern phenomena: the desire for a white nation. In this prickly, strongly argued book, he asks whether that desire is indeed limited to 'racists'. Drawing upon the Australian experience, Hage draws conclusions that might also be applicable in France, the United States and Great Britain, each being examples of multicultural environment under the control of white culture.

Previous article appeared here in print version.

Hage dissects a White Nation fantasy among segments of the population who are particularly worried about the presence of 'Third World-looking people'. Hage's emphasis on 'the look' is important in tracking Whiteness, an organising principle that controls and positions 'ethnics' within the Australian social space.
