taught by women than men, and those courses draw proportionately more female students. In short, gender roles and gender divisions in society combine to make gender the de facto determinant of cake distribution. The men, who comprise only one-third of the class, propose that men as a group should get half the cake, and women as

Your affectivity lives on these contradictions: on the one hand, an intense desire, demanding but unyielding, cut and dried. On the other hand, an amorous hypersensitivity which underlines the relationship's ambiguities, limits and flaws... In your quest of absolute plenitude, you are impervious to simple, uneventful loves devoid of passion.
